

These are some of the many many items that will be for sale at the May Court Club of Ottawa's Christmas Craft Fair – November 10th at the May Court Club 114A Cameron Avenue in Old Ottawa South.

Please come and see what else we have available.

Many of our food items fly out the door just after the 10:00 opening. Who has time to cook or bake? You can stock your pantry or even eat the sweets in the car on the way to your next venue.

Help support the May Court Club with its work with literacy, hospice care, breast cancer support, scholarships and welcoming new citizens to Canada.

Save your hands from burning when taking bowls out of the microwave. It is difficult to hold a hot bowl when slurping soup. You need a pure cotton cozy to keep you safe!
